

Annual Update:

When there is a change to your monthly payment, you will receive notification of the change. The Saskatchewan Teachers'

Superannuation Commission (STSC) is pleased to provide you with your January 2026 Notification of Deposit. Your January payment

reflects the **2026 Cost of Living Allowance (COLA) increase of 1.6%**, plus any changes in Federal and Provincial income tax rates.

Cost of Living Allowance Increase:

Section 22 of *The Teachers Superannuation and Disability Benefits Act* provides an annual COLA for retired teachers, spousal benefit recipients and dependents. **For those who began receiving payments during the 2025**

calendar year, the COLA will be prorated. Allowances are adjusted each January 1 by 80% of the percentage increase obtained by dividing the average Canadian consumer price index (CPI) for the 12 months ending on the

31st day of October of the previous year by the average CPI for the 12 months ending on the 31st day of October one year earlier. Your annual increase is provided to help offset the effects of inflation.

2025 T4A Income Tax Slips:

The CRA T4As **are scheduled** to be mailed from the STSC **the week beginning February 16, 2026.**

For those who superannuated part way through the year, you will receive a separate T4A for the

group life insurance taxable benefit from when you were teaching.

Power of Attorney:

To ensure you have the proper legal authority in place if you are unable to carry out your financial instructions, you may have authorized a family member or trusted friend to be your Power of

Attorney. A Power of Attorney is a legal document that gives someone else the right to act on your behalf, like managing your financial affairs in your absence.

If you have provided a Power of Attorney to a trusted person, a copy of this document should be forwarded to the Commission to keep on file.

Request to Confirm Receipt of Pension Payments coming in July 2026:

It's considered a best practice in the pension industry for plan administrators to periodically contact its superannuates and receive confirmation that they are indeed receiving their pension benefits. Beginning in 2017, the STSC implemented a process where each pension recipient that receives a benefit from the Teachers' Superannuation Plan will be mailed a letter every three years requesting, they confirm in writing they are receiving their pension entitlement. These periodic pension confirmations have been successful in identifying a small

number of deaths that were not reported to the Commission resulting in pension payments continuing to be paid to people not entitled to receive the benefit. In these cases, the payments were discontinued and monies were returned to the Fund. This type of periodic validation is very important to ensure the integrity of the Plan. The primary purpose of this pension confirmation is to certify the proper person entitled to the pension benefit is receiving their payment. In July 2026, the Commission will be mailing out a letter asking pension recipients to sign and return the letter

to the STSC to confirm they are receiving their pension benefits. The pension confirmation letter will include a self-addressed postage paid return envelope for each person's convenience. This project will be complete once each pension payment is successfully confirmed and reconciled. The Commission sincerely appreciates your timely response to its pension confirmation request. **Please watch for the pension confirmation letter scheduled to be mailed out by the second week of July 2026.**

Important Reminders:

Your Beneficiary - If you had a change in personal circumstance, it is important to update your designated nominees/beneficiaries for your pension and group life insurance. This is especially important if you have a change in a family

situation due to marriage, divorce or death. Please note common law status is only recognized under *The Teachers Superannuation and Disability Benefits Act* if you are not married.

A beneficiary form for group life insurance benefits will supersede a Last Will and Testament. You can find the Group Life Beneficiary and the Appointment of Nominee forms on our website.

Banking Information - For security reasons, changes to your bank information cannot be taken over the telephone.

To update your account information, please send a void cheque attached to a letter that includes your signature, or a

direct deposit authorization signed by yourself. You can find the Direct Deposit form on our website provided below.

Address - Thinking of moving? Don't forget to let the Commission know! Inform us of your new address change and include your

full name. This will ensure that you receive your T4A and any other correspondence in a timely manner.

Below is our contact information. You can find an address change form on our website.
